BACKGROUND

The financial crisis and the impact on the economy has set a totally new environment for banks and financial institutions. Co-operative banks are facing with the challenges triggered by the new legislative framework: Basel 3, the Banking Union and the new consumer protection and investors rules.

OBJECTIVE

This course is a unique opportunity to get an introduction to how EU works, the new regulatory and supervisory framework in Europe for co-operative banks and the role of the EACB as lobbying association. Professional lobbyists will bring their insider knowledge on key changes in the regulatory (and business) environment. The specific impact on co-operative banks will be discussed in depth.

KEY TOPICS

- Lobbying and the EACB
- The European Banking Union
- Regulatory trends regarding credit institutions: impact on co-operative banks
- Regulatory trends regarding retail banking products and practices impact on co-operative banks

WHO SHOULD ATTEND?

The course is aimed at co-operative bankers seeking an introduction to the EU legislative framework as well as to the lobbying process to defend and promote co-operative banks' specificities.

NETWORKING

The course will be an excellent opportunity to meet co-operative bankers from different European countries, compare experiences and exchange practices. A networking dinner will be held at the end of Day 1.

GROUP'S COMPOSITION

min. 10 — max. 20 participants. Co-operative bankers from national federations, central institutions, local bankers of various EU countries
If the minimum number of participants is not reached the course is cancelled. In this case, the EACB will propose to register the participant to the next session and if not possible, will proceed with the reimbursement.

INTERACTIVE SESSIONS

For each module there will be Q&A sessions and interactive learning opportunities.

LANGUAGE

English

VISIT TO THE EU PARLIAMENT

Participants will have the opportunity to visit the European Parliament and exchange views with a MEP
