SSI Diagnostica partners in Holland, Belgium and Luxembourg

To whom it might concern,

To ensure SSI Diagnostica offers our users in Holland, Belgium, and Luxembourg (Benelux) the best possible service, we have divided sales of our products into two categories: Supply to Industrial users and Supply to clinical users.

In the below table you find an overview of who you should contact to purchase or get information about SSI Diagnostica's products.

| If you are a: | Industrial | Clinical |
|--|-------------------|-----------------|
| Hospital laboratory | | X |
| Reference laboratory (Clinical) | | X |
| Other clinical laboratories | | X |
| Reference laboratory (Veterinarian) | X | |
| Products to be used for non-clinical work | X | |
| Food manufacturer or food safety laboratory | X | |
