

# ROTO-SHAKE GENIE®

**Rock, Rotate, or 3-D Orbit Any Container!**

**More multi-task products from the makers of the Vortex-Genie®!**

- Combines rocking and rotating in one compact and versatile unit
- Rocking tray accommodates large open containers
- Magnetic strips secure sealed bags for completely uniform soaking and washing
- Optional 3-D Orbital Attachment transforms the unit into an orbital shaker
- Easily cleaned or decontaminated
- **MAGNETIC** stainless steel platform may be easily set to rock or rotate almost any container
- A variety of attachments are available to provide maximum application versatility
- Optional Horizontal Orbital Attachment is ideal for Western Blots and maintaining cells or solutions in suspension
- May be used in cold rooms and incubators between 0-38°C

U.S. Pat. 5,918,979
