Who

## Reusable Titanium

Invest in high quality titanium alloy products, that have **less impact on the environment** and are more **cost-beneficial** in the long term.

Why

### Titanium Benefits

- **Reusable**
- No oxidation
- Non-magnetic
- Lightweight
- Durability
- Anodised to reduce glare

Reusable

**Consistent high quality** precision, use after use

**Engineered from high quality titanium**

**British Manufacturer**

**Extensive range** of instruments in stock

How

"Here to **Provide** You with Precision **Reusable** Titanium Surgical Instruments"

# Essential Cataract Set

The graph below illustrates the cost savings of a D&K essential cataract instrument set compared to equivalent single-use instruments.
