New Website

Creating Product Enquiries

The ability to create a "wish-list" with an intuitive product enquiry form is a feature that is much appreciated by discerning customers and is intended to enhance customer satisfaction.

Upgraded Search Functionality

We aim to make it easy for both new and existing customers to find the exact products they desire with our new search function and instrument categorisation.

Mobile Responsive

Our new website will work seamlessly on all devices and browsers, fully utilising the space on all the varying sizes of display screens.

Improved Search Engine Optimisation

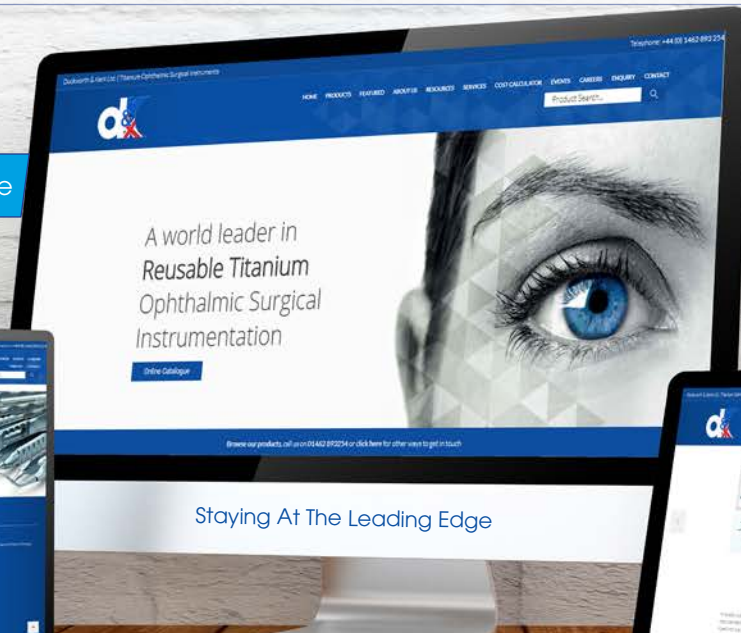

Full optimisation of our website will make it more prominent on search engines such as Google or Bing, making it easier for our customers to find what they need.

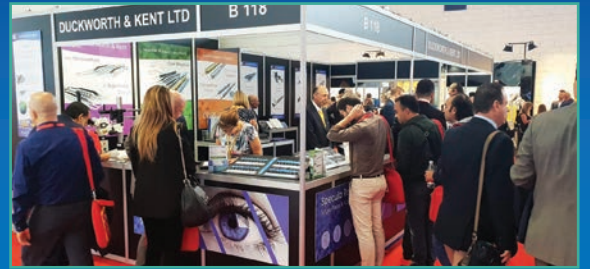

Updated Product Images

All of our product images have been updated with new detailed tip views and improved image quality.

Fully Redesigned Website

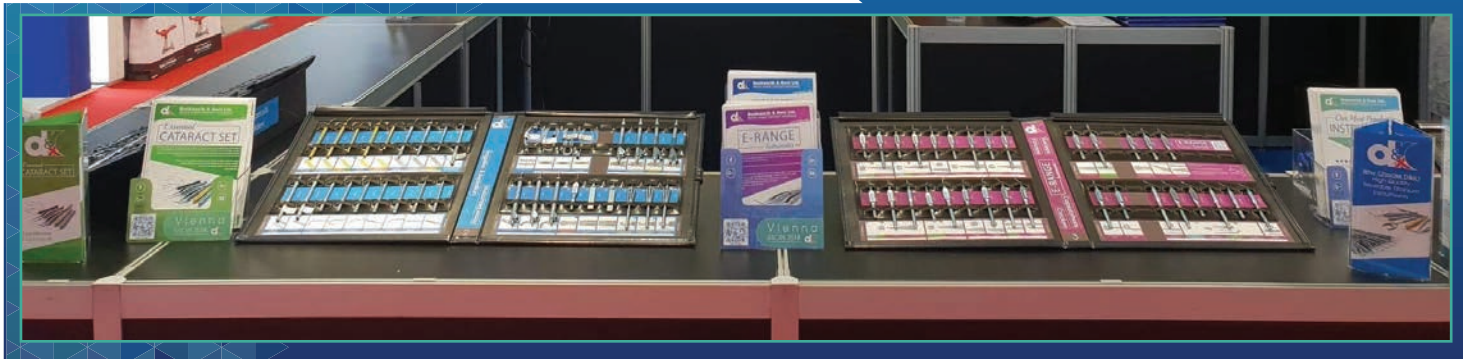

Thank you for Visiting Our Booth - ESCRS 2018

Vienna

ESCRS 2018

Duckworth & Kent hopes that you enjoyed your time at the ESCRS and that you found time to enjoy the many sights of Vienna.

It's always a pleasure to exhibit at the ESCRS and share our latest innovative instruments with new and returning customers. We would like to thank all those who took time to visit our booth and contributed to yet another highly successful year. We hope that our dedicated team was able to assist.

Future Exhibitions

We hope to see you at next year's ESCRS in Paris between 14th-18th September 2019.

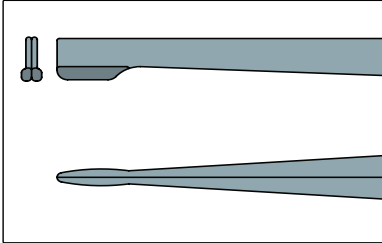

Visit www.duckworth-and-kent.com/events to keep up to date with all future Duckworth & Kent exhibitions and see where our distributors will be exhibiting across the globe.
